Dear Boyfriend,

HAAAAAAANNNNNNKKKKKKKKK

bubby i cant rlly explain how lucky i feel to have you. Soso lucky that i feel i could go gamble with this amount of luck im carrying. I genuinely feel like i have the **best boyfriend** in the world. You are MY person, u are the person i want to tell absolutely everything to, u r the person i want beside me when something super cool happens to me and the person i want to run to when things suck ballz. I want to be there for all of it! Your big accomplishments, the teeny tiny little accomplishments, the bad days, the dumb days, the cranky days you dont get sleep, todo.

I also want to be the person who reminds u how PROUD i am of you and how much i believe in you, i see so much in u bub, even when u r too blind to see it. You really are my best friend, and i zont think ill ever stop feeling lucky that i get to call u **mine** :)

In the more gay part... i never knew i could love someone this much, and sometimes i genuinely dont know how i got so lucky. U have changed so much of my life amor just by being in it, and i hope you know how much u mean to me. I love the life we're building and the things we are achieving, i love watching you grow, and i love knowing that i get to grow with u. I want all of it with u, i mean it.

Happy Boyfriend Day to my favorite person, my best friend, and the man i get to absolutely adore. I really, really got the best one and i really really hope we can do this for life.

With Love,
Your little girlfriend
